Product Name	Advert Title
Please ensure that the advert is named primarily by the product it is advertising, and then by the work's individual title, if it has one.	

Type of Advert

Please fill in one of the sections below. In all cases adverts must be submitted in the completed version intended for release. Adverts can be submitted in one of three ways - **Video Adverts:** submitted on video for video release. **Cinema Adverts submitted on video:** submitted on video for cinema release. Please note that the BBFC reserves the right to view the actual 35mm print if deemed necessary before making a final decision. **Cinema Adverts:** submitted on film (usually 35mm) for cinema release.

Adverts submitted on video (for either video or cinema release) must be DVD (Region 2 or Region 0) and contain only one copy of the advert to be viewed, with no additional material. Should a work require classification for both cinema and video release, then two separate submissions are required. The same video cannot be used for both classifications.

Adverts shown at the cinema must display the symbol of the category awarded for a minimum of five seconds, before the work begins, or burnt into the bottom left or right corner of the frame itself.
